

The Arc of Katy Annual Gala
“Together We Can!”

- Arc - A 501(c)(3) Corporation (tax-exempt ID 76-0354104) works with children and adults with intellectual and developmental disabilities.
- Because of generous donations last year, we were able to increase our enrollment by 50% and expand the number of days of our program.
- Our Arc participants have given back to the Katy community by participating in Katy Area Chamber events and by serving others less fortunate like the residents of a local nursing home.
- Our goal this year is to find a permanent location for our Day Program.

With the support of community members like YOU, “Together We Can!” make a difference in the lives of our Arc participants. Thank You!
